Seductive SECLUSION

There's waking up in Thailand and there's waking up to views of Phang Nga Bay at ANI Thailand, a breathtakingly beautiful private estate that accommodates just 20 guests on a single-booking basis. Nestled on the east coast of intimate Koh Noi Island, the all-inclusive estate features a vast main swimming pool, myriad living and dining spaces, and a dedicated staff of 22. After a day of spa treatments, bespoke dining and exploring the island, you can retire to one of the property's sublime pool suites or villas – we rather like the Ocean Villas, which offer private terraces and deep soak tubs, both with spectacular sea views. aniprivateresorts.com — **NICK WALTON**
