FOR ALL BOOKINGS ACROSS ÀNI ANGUILLA & THE DOMINICAN REPUBLIC  
DURING JUNE & JULY 2024

The beauty of a group holiday with ÀNI – along with our beach-paradise settings and wonderful teams – is the freedom to do different things, reuniting for [relaxation](#), local adventures, [celebrations](#) and [delicious dining](#). ÀNI's luxurious [exclusive-use resorts](#) are designed for [multigenerational or adult-only getaways](#), with more than enough space and facilities for everyone to do as much – or as little – as they please. With a summer of sports ahead, sports tourism is now a huge focus for holidays. Guests can learn to learn kitesurf in the Dominican Republic, or PADI-certified scuba divers can embark on underwater adventures in Anguilla. Between these rewarding adventures, there is plenty of downtime and all the usual ÀNI inclusions in each resort in addition to these activities.

### Kite Surfing: ÀNI Dominican Republic

Guests staying at [ÀNI Dominican Republic](#) can go kitesurfing with champion kitesurfer Carlos David Arnaun Rodriguez. Hailing from nearby Cabarete – the birthplace of kitesurfing – Carlos became hooked on the sport from a young age. As a teenager, his mornings unfolded on the ocean, learning the ropes and mastering techniques. Now a member of the national kitesurfing team, Carlos has represented the Dominican Republic both at home and internationally. His dream: to compete in the Olympics. Carlos says, *“Flying above the waves on the immense ocean brings peace of mind and the realization that happiness lies in pursuing one’s passions.”* Guests will spend days two, three and four of their ÀNI stay on the water with Carlos, learning the basics of kitesurfing at the nearby KiteClub Kite School in Cabarete. Each session will focus on a different skill, from kite-flying and body-dragging to water starts and riding. Afterwards, enjoy a chilled drink and a snack at the Beach Bar, the school’s social hub, where you can mingle with off-duty instructors and other students. Alternatively, head straight back ‘home’ for a delicious lunch and refreshments at ÀNI Dominican Republic.

**Useful info:** . All equipment is provided. No minimum number applies, but the itinerary will be tweaked if just one guest participates. Fly like the wind in the Dominican Republic with the above and all the additional [luxury inclusions](#).

**Scuba Diving in Anguilla:** Embark on scuba diving adventures with [ÀNI Anguilla](#). Divers who already have their PADI certification can experience a special diving experience, designed for guests staying for five nights or more. The ÀNI team have teamed up with local dive stars Scuba Shack, offering guided expeditions with the brand’s founder, Matthew Billington, who fell in love with Anguilla in 1991 and has been there ever since. Each day guests will have half-day use of a private boat for six divers, and with additional space for up to 12 people - all equipment will be provided. Each session can include two dives: a morning dive at 9am and an afternoon dive at 1.30pm. Anguilla’s cerulean waters reveal 45 dazzling reef dives, with sites ranging from 40–110 ft in depth; there are also five wall dives and seven purpose-sunk shipwrecks to explore. Look out for shrimp-cleaner stations and different marine life interacting, including hunting trumpet fish or friendly turtles following the group. Matt says: *“When you show a diver how to slow down and really look around them, it’s like watching a whole new and subtle world being opened up to them and all of a sudden they are showing you new things.”*

**Useful info:** Participants must send proof of their PADI certification to the resort team in advance. No charge applies to non-diving/snorkeling participants. PADI certification is available at an extra cost.
