## DESTINATION

Scalloped like a tiara, the north coast  
cradles ÀNI Dominican Republic like a jewel on its own  
private peninsula, with two natural swimming  
coves on either side.

Situated in the center of the Dominican Republic’s northern shoreline between the magnificent Samaná Peninsula and Cabarete, the birthplace of kite surfing, ANI Dominican Republic is perfectly placed for exploring the Amber Riviera. Known as such for its rich amber deposits and golden beaches, the coast is backed by lush jungle and the Cordillera Septentrional Mountains, while the tropical waters offshore teem with marine life.

Migrating humpback whales pass the resort between January and March, and Laguna Gri Gri a five-minute drive away offers superb birdwatching and leisurely boat cruises year-round. Golf courses nearby boast spectacular oceanside holes, and adventures in the mountains – whether horseback riding or canyoneering – reveal a vast natural playground. Puerto Plata unveils the Republic’s history and cultural heritage, and the region’s beaches are some of the Caribbean’s finest.

# ÀNI LIVING

A self-contained world soundtracked  
by breeze-tussled palm fronds and the whispering  
ocean, ÀNI Dominican Republic offers every  
amenity and service guests could possibly desire.

Set in manicured gardens on 4.2 acres (1.70 hectares) with breathtaking, 270-degree views of the Atlantic Ocean, ANI Dominican Republic encompasses Villa Larimar with its sunrise vistas and west-facing Villa Amber with its manmade beach and path to the sea. Accommodating up to 28 guests in suites positioned on either side of the property’s palm-lined, central avenue, the resort has a dedicated team of over 30 staff members to fine-tune every aspect of a group’s all-inclusive stay.

Named for the region’s precious gemstones, the villas offer elevated, oceanside living with a sleek Tropical Contemporary aesthetic. Both overlook expansive infinity pools, and each boasts a poolside Living Pavilion with spacious dining spaces inside and out, an elegant lounge, convivial bar, games and entertainment areas, and a terrace with mesmerizing sea views.

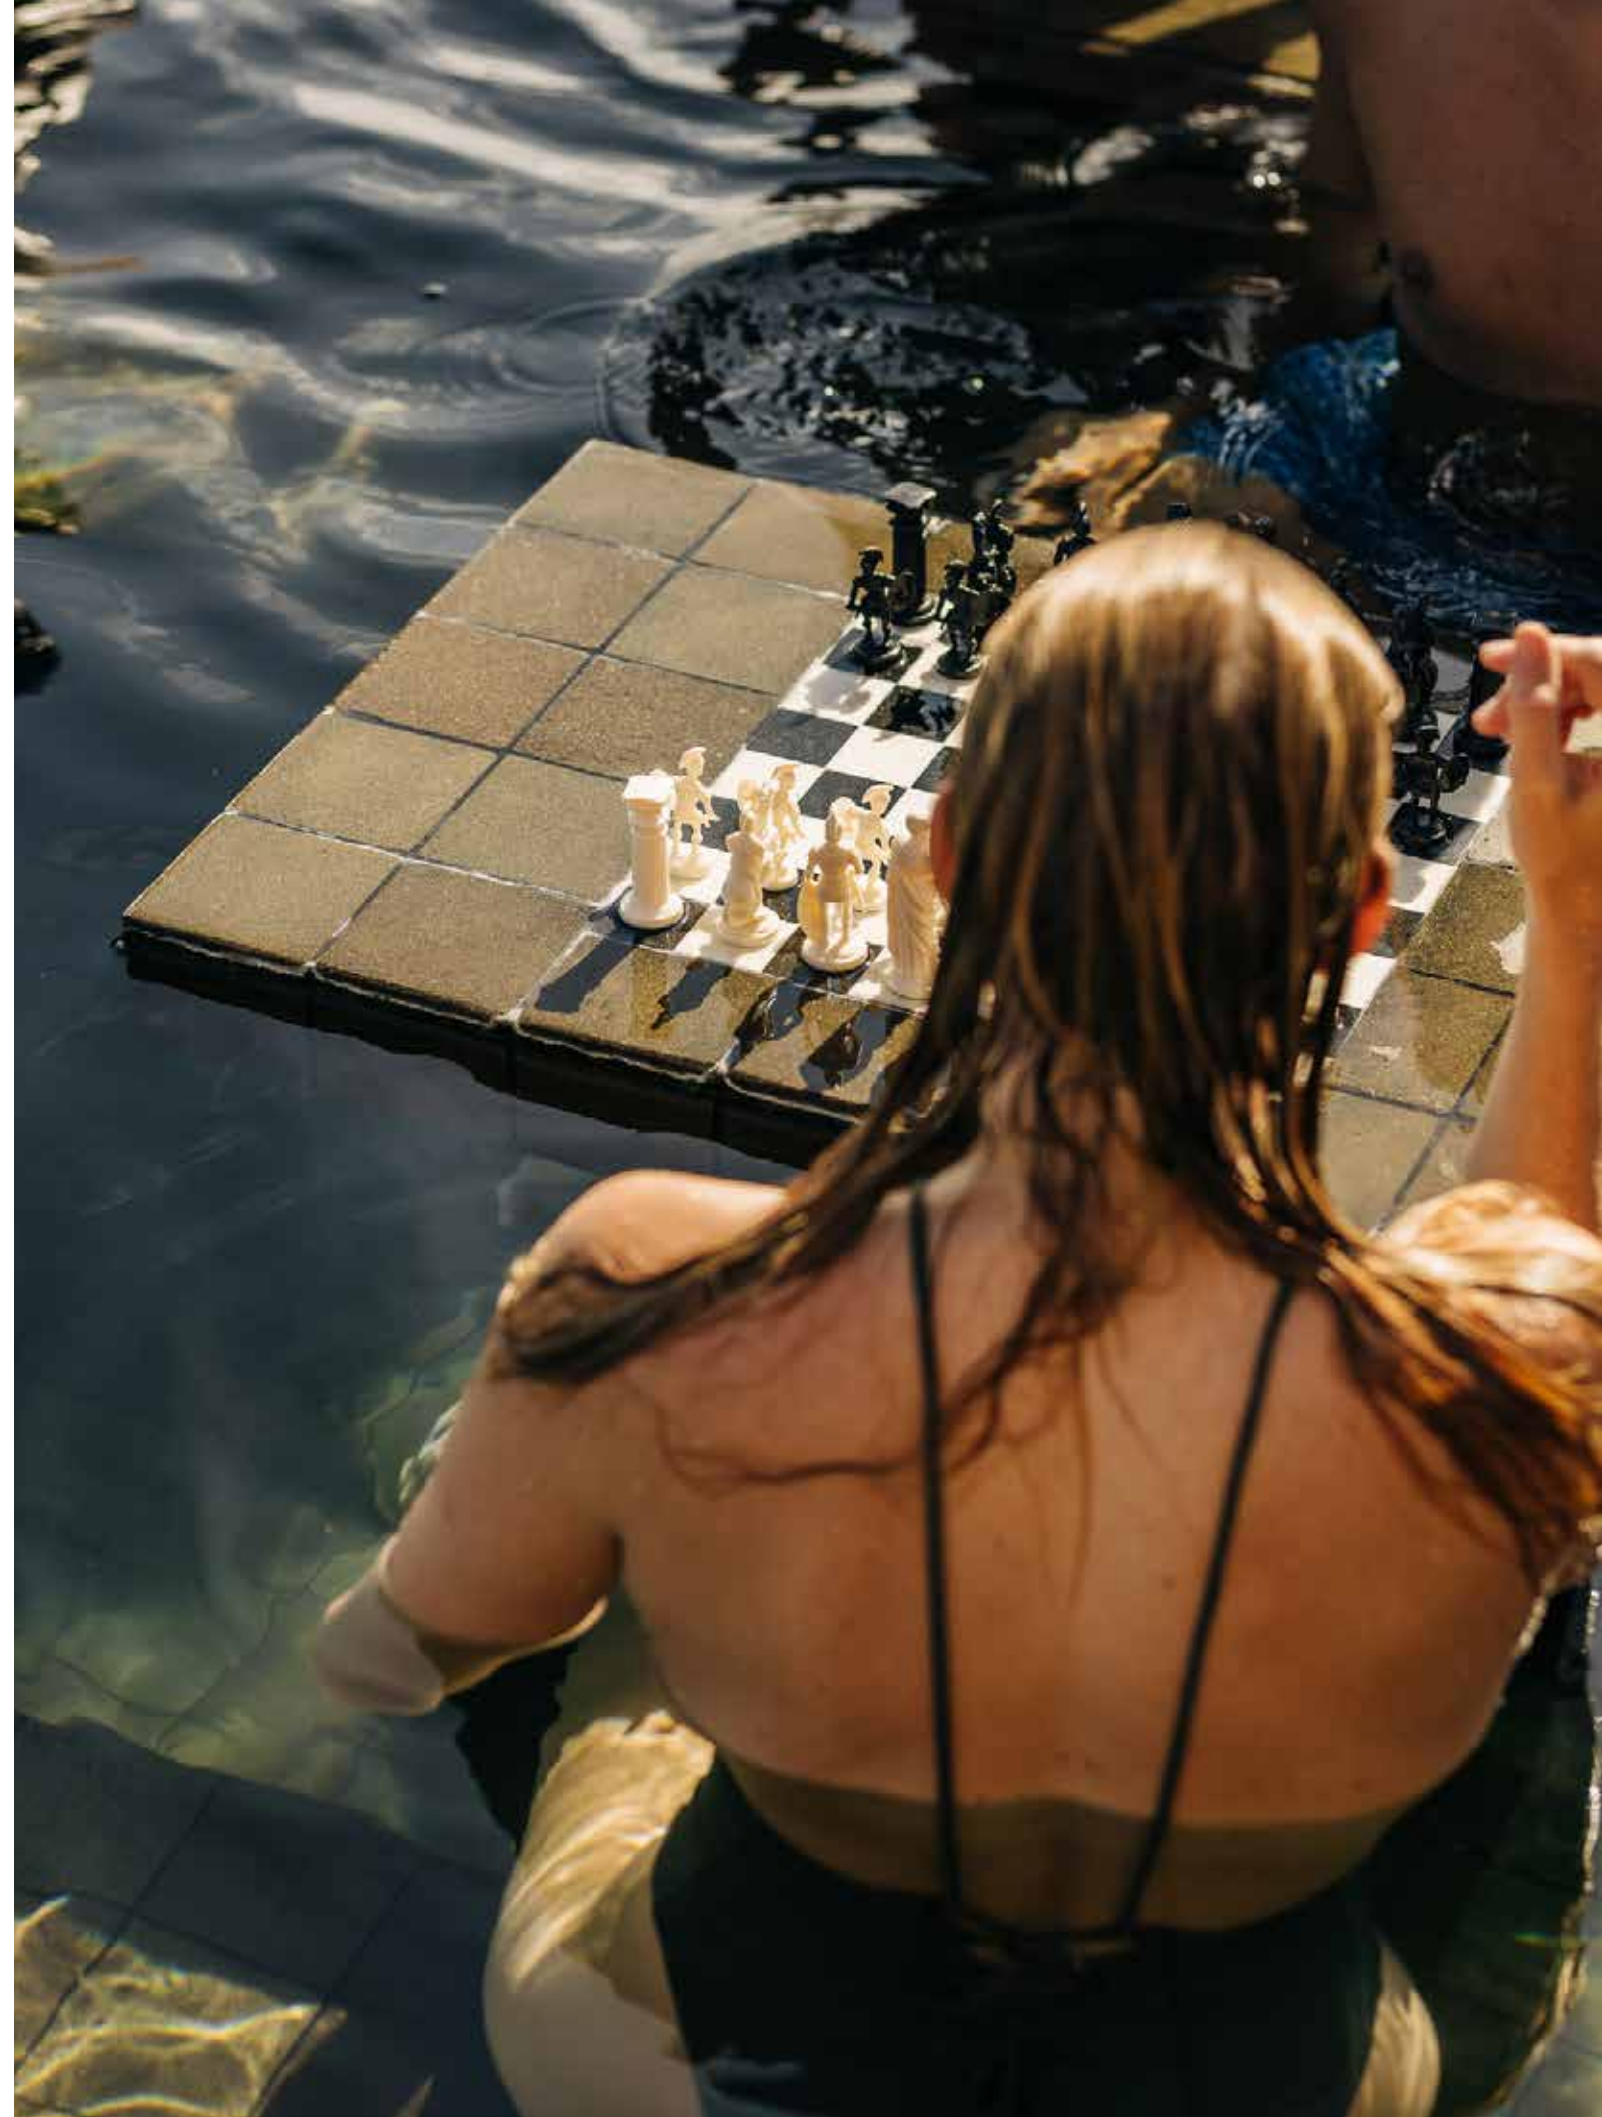

The gracious Arrival Pavilion is mirrored by an ocean-side Events Pavilion, and the air-conditioned Wellness Center houses a gym and a serene spa.

# ACCOMMODATION

Positioned on either the western or eastern side of the peninsula to maximize their panoramic views are eight Ocean View Suites, two Bay View Suites, two Ocean View Junior Suites, and two Garden View Junior Suites.

OCEAN VIEW SUITE

Embracing dramatic Atlantic vistas either to the east or the west, each Ocean View Suite offers a private terrace with twin chaise lounges and a sunken dining table for two. A striking backlit onyx wall welcomes guests in the suite's entrance, while the large ensuite bathroom opens onto a private garden courtyard with a second, outdoor shower.

Six of the eight are completely free standing, while the remaining two are housed on the ocean-facing ground floors of two double-story structures along with an upstairs Bay View Suite, and two downstairs Junior Suites. Ocean View Suites are suitable for guests with accessibility needs.

**BAY VIEW SUITE**  
**1,050 SQ.FT / 98 SQ.M**

Two double-story structures with their own private courtyard entrances are each graced with one upstairs Bay View Suite. Offering a private balcony that overlooks either La Piscina Natural or El Hoyo Bay, each provides access to a shared downstairs living room and kitchenette, separate from the rest of the resort’s extensive dining and entertainment areas. With vaulted ceilings and an open plan layout, these light-filled suites offer ocean views from king-size beds.

**OCEAN VIEW JUNIOR SUITE**  
**400 SQ.FT / 38 SQ.M**

Each of the four Junior Suites is a spacious apartment set on the ground floor of the property's two double-story structures. The two Ocean View Junior Suites with their ocean-facing terraces are slightly larger than the Garden View Junior Suites.

GARDEN VIEW JUNIOR SUITE  
300 SQ.FT / 28 SQ.M

The two Garden View Junior Suites each have their own private garden courtyard. Guests can choose a king bed or twin beds and enjoy direct access to a shared living room and kitchenette under the same roofline, just a short stroll from the rest of the property’s extensive dining and recreation areas.

Up to 12 spa treatments are offered per day in two ensuite treatment rooms (one single and one double with a steam room and jacuzzi) including a range of massages, a signature anti-stress grounding treatment, and nail services. Private whale-watching cruises offer the chance to spot humpback whales in season, while surfing and kite surfing lessons offer the chance to get out on the water. Spot the white brilliance of egrets as they wade delicately among Laguna Gri Gri’s mangroves adrift in a traditional boat, or take the breathtaking cable car ride up Mount Isabel de Torres in Puerto Plata.

# ÀNI ART ACADEMIES

Founded to uplift local communities,  
the non-profit ÀNI Art Academies organization offers  
a free, multi-year, art skills education to aspiring artists  
in six schools worldwide. Guests of ÀNI Dominican Republic  
are welcome to visit the academy close to the resort.

With all proceeds from art sales going directly to the artists themselves, the six ÀNI Art Academies are fully supported by ÀNI founder, Tim Reynolds, and the four ÀNI Private Resorts. It was Tim’s own art training that led to his fortuitous meeting with artist Anthony J. Waichulis, whose highly successful curriculum promotes creative freedom through logic and discipline.

Many ÀNI Art Academies graduates have gone on to lead highly successful careers as sought-after artists and art educators, benefiting their families and communities alike.
