

ÀNI

THAILAND

FIVE-NIGHT STAY SAMPLE ITINERARY

SUMMER 2026

ĀNI, THE WORLD'S FINEST PRIVATE RESORTS

ĀNI Private Resorts draws its name from the Swahili word *andjani*, which aptly means 'the journey ahead'. This not only refers to the time guests spend together as part of life's journey, but also to the future offered to students of the non-profit ĀNI Art Academies organization that ĀNI supports. Inspired by the belief that arts education can open doors for underserved communities in some of the world's most beautiful and developing nations, the ĀNI story began in 2010 with the founding of both organizations.

The world's first private resort collection, ĀNI today offers four exclusive retreats in Thailand, Sri Lanka, Anguilla, and the Dominican Republic – each designed for one group of guests alone. Accommodating up to 20 or 30 individuals across 10 to 15 suites, each offers exceptional sea views, swimming pools, and expansive living, dining, and entertainment areas, with a full complement of staff taking care of every detail.
